

Funky Butt
(Buddy Bolden's Blues)
Mississippi John Hurt

I thought I heard some boys say
Funky butt, stinky butt, take it away
'Cause I don't like it no how

You see that girl with the red dress on?
She's got a funky butt, stinky butt, sure as you're born
'Cause I don't like it no how

I thought I heard some boys say
— — — — — , take it away
'Cause I don't like it no how

I (thought I heard) Buddy Bolden shout
Open the window, let the funk go out
'Cause I don't like it no how
